We may, on occasion, combine information we receive online with outside records and use such information in accordance with this Privacy Policy, such as to enhance our ability to market to you products or services that may be of interest to you.

You can control what data you share through privacy settings available on some social media sites. For more information about how you can customize your privacy settings and how third party social media sites handle your company identifiable information, please refer to their privacy help guides, privacy policies and terms of use.

Information collection from mobile devices. If you access our Sites, on your mobile telephone or other mobile device, we also may collect your unique device identifier and mobile device IP address (e.g. MAC address), as well as information about your device's operating system, mobile carrier, and mobile Internet browsers, your precise location information, and other information described in this Policy.

Technical and usage information. We also collect certain non-personally identifiable information when you use our Sites such as the type of browser you are using (e.g., Firefox, Internet Explorer), the type of operating system you are using (e.g., Windows, Mac OS, iOS, and Android), the domain name of your Internet service provider or mobile carrier, IP address, and certain usage information.

#### HOW WE USE THE INFORMATION

Providing our products and services. We use the information we collect about you to fulfill your requests for our products, programs, and services, to respond to your inquiries about our offerings, to provide, personalize, and improve our offerings and to offer you other products, programs or services from us and our affiliates, business partners, and selected third parties that we believe may be of interest to you.

The information we collect in connection with our online forums and communities is used to provide an interactive experience. We use this information to facilitate participation in these online forums and communities and, from time to time, to offer you products, programs, or services.

If you choose to submit content for publication, we may publish your screen name and other information you have provided to us on our Sites, the Internet, or elsewhere.

Communicating with you. We use information about you to communicate with you, such as to notify you when you have join our services to other companies or when we make changes to our user agreements, to fulfill a request by you for an online newsletter, or to contact you about your account with us. You may also choose to receive push notifications from us on your mobile device.

When you access our Sites on a mobile device, we may use the information collected for any of the purposes set forth in this Privacy Policy. For example, we use information collected on mobile devices to enable you to do things like (i) read news and notifications, (ii) new member signup, (iii) get information about new songs or playlist or even Video

Use of non-personally identifiable information. We use aggregate information about our users and non-personally identifiable information that we collect to improve the design, functionality and content of our Sites and to enable us to personalize your experience with our Sites and offerings. We use this information to (i) provide, maintain, personalize, protect, improve, and develop our products, programs, and services and to operate our business, (ii) to analyze usage and performance of our Sites, and (iii) for us and our affiliates, business partners, and selected third parties to offer you products, programs, or services.

## INFORMATION SHARING AND DISCLOSURE

Legal and law enforcement purposes. We may disclose identifiable information in response to legal process, for example in response to a court order or a subpoena, or in response to a law enforcement agency's request. We also may disclose such information to third parties in connection with fraud-scoring, detection, and prevention activities or where we believe it is necessary to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of our terms of use, to protect our rights and the rights of others, and as otherwise required by law.

Change of control. In addition, we may transfer information about you in the event of a business transaction, such as if we or one of our business units or our relevant assets are acquired by, sold to, or merged with another company.

Service providers. Our agents and contractors may have access to personally identifiable information to help carry out the services they are performing for us. Affiliates and other third parties. We may disclose personally identifiable information about you to companies whose practices are not covered by this Privacy Policy. For example, we may share such information we collect with our affiliates to provide, improve and communicate with you about their own products and services.

We may also share such information with business partners and third parties (e.g., other marketers, magazine publishers, retailers, participatory databases and non-profit organizations) that want to market products or services to you. If we share personally identifiable information with such unaffiliated third parties for their own marketing purposes, we will provide you with an opportunity to opt out or block such uses.

Linked sites. Some of our Sites contain links to other sites whose information practices may be different from ours. Visitors should consult the other sites' privacy policies before submitting any information, as we have no control over information that is submitted to, or collected by, these third parties.

Sponsors and co-promotions.

At some of our Sites, reputable third parties may present or serve advertisements, provide us with data collection, reporting, ad response measurement, and site analytics, and assist with delivery of relevant marketing messages and advertisements. These third parties may view, edit, or set their own cookies. The use of these technologies by these third parties is subject to their own privacy policies and is not covered by this Privacy Policy. They may also obtain information about other applications that you have downloaded to your mobile device, the mobile websites you visit, and other information about you or your device in order to help analyze and serve anonymous targeted advertising on the Site and elsewhere. For more information about third party ad servers at our Sites and your ability to opt-out of targeted advertising from such third parties, please visit the Network Advertising Initiative and/or the Self-Regulatory Program for Online Behavioral Advertising. Please note that opting-out through these programs will stop certain targeted advertising, but will still allow the collection of usage data for some purposes, including research, analytics and internal operations.

## YOUR CHOICES

Marketing Communications. We provide you with an opportunity to express your preferences with respect to receiving certain marketing communications from us or from unaffiliated third parties. If you ever decide in the future that you would like to update these preferences, (i) you may log into your account if you have created an account with us at one of our Sites to adjust your settings, (ii) you may follow the "unsubscribe" instructions provided in any marketing email you receive from us, (iii) you may send us an email at Email Address and we will edit your preferences accordingly, or (iv) you may opt-out of targeted advertising as set forth in the Ad Servers section above. If you previously chose to receive push notifications on your mobile device from us but no longer wish to receive them,

you can manage your preferences either through your device or app settings, depending on the type of device.

Uninstalling a Mobile Application. If you no longer wish to have any information collected by the Site, you may uninstall the application by using the standard uninstall processes available on your mobile device or via the mobile application marketplace or network.

#### OUR COMMITMENT TO SECURITY

We have put in place reasonable physical, electronic, and managerial procedures designed to safeguard the information we collect online at the Sites. However, we cannot assure you that personally identifiable information that we collect will never be used or disclosed in a manner that is inconsistent with this Privacy Policy.

#### HOW YOU CAN ACCESS OR CORRECT INFORMATION

To access the personally identifiable information that our Sites have collected about you online from the pages on which this Privacy Policy is posted, to correct factual errors in such information, or to update your interests, preferences or other portions of your user profile, please log into your account if you have created one with us or send an email to Email Address

To help protect your privacy and security, we will take reasonable steps to help verify your identity before granting access or making corrections.

#### NOTIFICATION REGARDING UPDATES

From time to time, we may update this Privacy Policy. We will notify you about material changes in the way we treat personally identifiable information by placing a notice on our Sites or by sending you an email message. We encourage you to periodically check back and review this policy so that you always will know our current privacy practices.
