Additionally, Company is free to use any ideas, concepts, know-how, or techniques contained within such User Content for any purpose including, but not limited to, developing, manufacturing, marketing and providing commercial products and services, including Company Services. Company's use of such User Content shall not require any further notice or attribution to you and such use shall be without the requirement of any permission from or any payment to you or any other person or entity. You hereby appoint Company as your agent with full authority to execute any document or take any action Company may consider appropriate in order to confirm the rights granted by you to Company in this Agreement.

You represent and warrant that: (i) you own the User Content Transmitted by you on, through or in connection with the Company Services, or otherwise have the right to grant the license set forth in this Section, and (ii) the Transmission of User Content by you on, through or in connection with the Company Services and Third Party Services does not violate the privacy rights, publicity rights, copyrights, contract rights or any other rights of any person or entity.
